

# The Art of the Invisible Drain.

Why settle for an eyesore when you can have an innovation? Blue Square redefines the pool floor by merging high-end style with unrivaled functionality. The Hydrofusion™ Drain doesn't just sit there—it virtually disappears into your pool's finish.

**Disappearing Act:** A sleek, rounded design that blends seamlessly into any surface.

**Engineered Flow:** Revolutionary channel technology provides maximum suction for effortless debris removal.

**Total Synergy:** Pair with the Blue Square In-Floor System and Trimline Leaf Trapper for a pool that stays pristine without the visual clutter.

Before you even notice the Hydrofusion™ Drain, the debris is already gone.

\* The Hydrofusion Drain is VGBA Compliant™  
“Single Source Suction”

**WATERCO**  
water, the liquid of life

Waterco pioneers reliable solutions for healthy, safe water environments, which are used in residential, commercial and industrial applications in over 40 countries.

Established in 1981, it has since become a global brand recognised for designing and manufacturing filtration and sanitisation innovations for the swimming pool, spa, aquaculture, and water purification sectors.
