PeroxpH Control

What is Perox pH Control?

Perox pH Control is a uniquely blended liquid pool acid that allows one product to treat your pool in multiple ways. Plus, the bonus of not having to deal with the nasty fumes often associated with regular liquid pool acid.

Why should I use Perox pH Control?

With the multi action active ingredients, Perox pH Control makes looking after your pool so much easier, allowing you more time to enjoy your pool.

Perox pH Control, assists in binding all smaller particulates together making it easier to be filtered out via your filter. Resulting in outstanding water clarity.

Perox pH Control helps keep algae at bay with added algae inhibitors and phosphate removers. Allowing your sanitiser to work more effectively.

Perox pH Control, DOES NOT require dilution. So there is no messy mixing of harsh chemicals.

Without the presence of corrosive fumes there is minimal corrosion to equipment in the pool plant room and service vehicle.
