**Innovative Designs For Everyday Living!**

# Sparkling Clear Water throughout the Whole House!

## Saves more than space

The Slimline takes up a mere 250 sq cm of valuable floor space. Not only is it smart on space, it's also smart on design. The lock ring lid makes cartridge removal and replacement so easy. No additional tools are needed.

## Slimline Filter Cartridge

Constructed of long-lasting & reusable polyester fabric.

Has multiple compact pleats providing 2.3 metres of surface area - maximum dirt holding, reduces cleaning frequency.

Cleaner water for cooking and cleaning

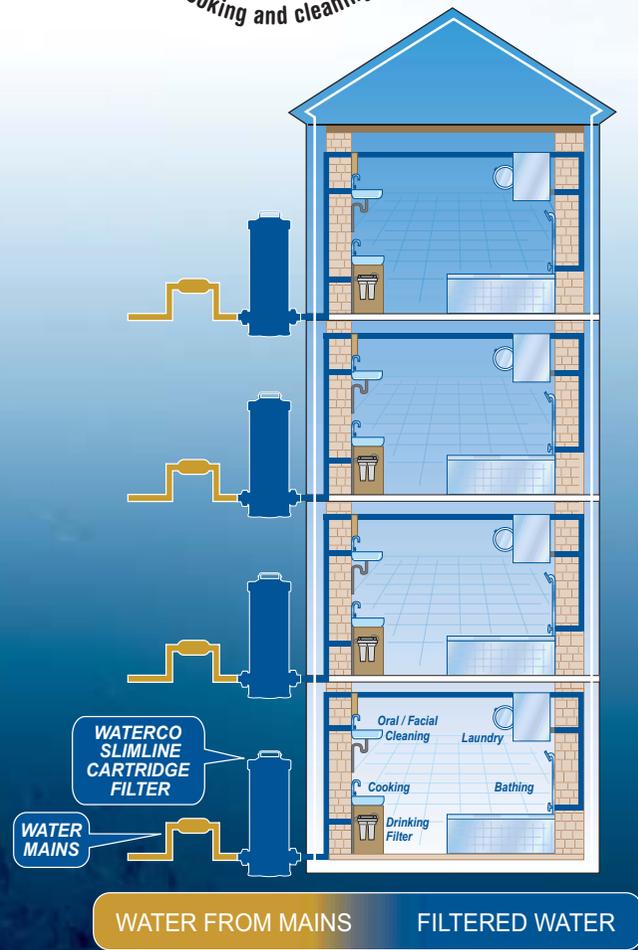

Refreshing baths and showers

Reduces staining of sanitary ware

Extends the life of your drinking water purifiers

Cleaner, brighter laundry

Saves energy costs

## Simple Maintenance

- Stage 1** : Unscrew the lock ring and remove the lid.
- Stage 2** : Remove the cartridge from the housing and hose off the trapped sediment from the cartridge pleats.
- Stage 3** : Reinsert cleaned cartridge into the housing. Replace lid. Screw lock ring over lid. Filter tank is now ready for use.
